Universidad César Vallejo

We are the largest university in Peru.

Empower your passion for self-discovery in a responsible, creative, and empathetic manner.

We incorporate the SDGs into your education!

The SDGs are the Sustainable Development Goals that world leaders defined in 2015 to ensure a better future for upcoming generations. UCV has incorporated these 17 goals into its educational proposal and research lines so that you become a professional who contributes to a more sustainable world.

A solid humanistic education

To transform yourself into a better person, with human skills and strong values, so that you can contribute to the development of society and adapt to the changes of the current world.

English in all cycles

You will speak the language spoken by the world, thanks to the inclusion of English in every cycle within the curriculum of all professional careers.
